You will be prompted to the next page where you can either login with an existing parent account, Create a New Parent Account, or **Continue as a Guest**.

We recommend that all parents create an account. Without a parent account you will not be able to see your student’s compliance status, download the completed forms, or view notifications sent to you by your student’s school.

***Note: Some school districts may require you to create an account.** If you do not see the “Continue as a Guest” option, you must create a parent account. Please see [“How to Create a Parent Account Tutorial”](#) for help in creating an account.

Please select the appropriate grade level for your child below:

Grades 9-12 Grades 6-8 Grades k-5

You will see 2 Sections: Paper Documents and Electronic Documents

Paper Documents: To print a blank Physical form or other printable documents, click on the “**Download and Print**” tab on the right side.

In most cases printable forms such as the Physical should be turned into the school manually. However, some schools may allow you to upload these documents to an electronic form titled “**Physical Upload Form**”. If your student’s school allows this option, it will appear under the Electronic Forms section.

Electronic Forms: To complete the electronic forms, click on the link to open the form. The form status will show as “Incomplete” until after the school has approved your student’s forms

Note*: Some schools may require multiple forms to be completed.

If you have any questions related to the forms, please contact your student’s school.
